# **STAFF REPORT: FIRE CHIEF POLICY AND APPOINTMENT PROCESS**

To: Spalding CSD Board of Directors

From: Vince Rogers, General Manager

Date: February 13, 2025

Subject: Appointment of Fire Chief

## **Background**

Policy 2930 of the District's policy handbook outlines the appointment procedure and duties of the Fire Chief. The last update/revision to the Fire Chief Job Description was 2013. With the growing threat of catastrophic wildfire, firefighting response, fire prevention and enforcement are a significant priority to the District and the Community of Spalding. As the leading officer at any incident, a Chief's ability for a short response time can be of utmost importance.

## **Financial Impact**

Because the Chiefs position is as a volunteer, no salary or stipend is paid to the Chief and no financial impact exists. However, the Chief's position entails some fiduciary responsibility associated with managing and tracking the fire department budget in cooperation with the General Manager, as subject to Board of Directors approval. As such, public administration/business administration experience should be considered in the decision for appointment. The Fire Chief's position is covered in the Conflict of Interest ordinance and policy of the district.

## **Recommendation**

Presented for approval is Resolution 2025-02 which provides for 1) a revised job description for the position of Fire Chief and 2) and amendment to the district ordinance describes the process for appointment of a Fire Chief.

## **Results**

Approving a policy and open procedure to allow for the consideration of appointment for the position of Volunteer Fire Chief will contribute to a better and more openly governed community.
